

Dear Donna,

I cannot thank-you enough for my new "do." I've had so many compliments, even from my 16 yr. old son's friends (WOW!)

My 18 yr. old son stopped mowing the lawn when I got out of the car. He pinched my cheek & told me I was gorgeous (WOW!)

My daughter loves you for my non-foo-foo "do" (We knew that!) I just want to

say you are brilliant at what you do. You've kept my hair in such good condition it doesn't look like I ever had a perm. Even my hair's natural shine is back. Again I thank-you!

Sincerely,  
Vikki Halpine
